

December, 2010

Dear Valued Customer,

As the holidays approach us, it seems so easy to get caught up in the commercialization and shopping frenzy of the season. Sometimes it is difficult to remember the meaning of Christmas. The TMD Baltimore Branch will continue to be a part of the real meaning of the season.

GIVING

With all of the economic and social changes that are occurring in our country today, in lieu of Christmas gifts to our customers, we will be continuing the TMD tradition of adopting a family in need for the holiday. We have chosen to sponsor the Siminski Family this Holiday Season. Ms. Siminski is a single parent with 2 children. Ms. Siminski has been presented with many challenges this year. Not only did she experience a financial burden when she lost her job; she and her daughter also have had major medical problems to deal with. For these reasons, we feel Ms. Siminski and her daughters are a well deserved choice for our traditional holiday sponsored family.

On behalf of TMD Customers, the TMD Baltimore Office will provide Christmas gifts to our sponsored family. Thank you for your continued loyalty and interest in TMD. Together we will make a difference, one family at a time.

Sincerely,

The Staff of TMD

Darlene, Debbie, Julie and Carol
