

December, 2010

As we come closer to the Christmas Holiday it seems so easy to get caught up in the commercialization and shopping frenzy of the season. Sometimes it is difficult to remember why we have this holiday and most of the time we are exhausted. During much reflection, the TMD Austin, Round Rock and San Antonio offices would like to announce that we will be a part of the real reason for the season.

GIVING

With all of the changes that are currently occurring in our country today, in lieu of Christmas gifts to our customers this year, TMD will be adopting one of our employee's and his family for the holiday. The employee and his family we have chosen to sponsor this Holiday Season have endured many challenges and setbacks. Mr. Brenden Twomey works for TMD as a full time employee for one of our clients. Mr. Twomey faces many challenges in his life and this makes it difficult for him and his family. Mr. Twomey has worked with TMD for a short period of time, but his situation knows no time. He struggles with his medical issues, but eagerly returns to work once he is medically able. He and his wife recently had a new born and we hope the gifts we provide will start to help them from the very start. He has been very dependable, has a positive attitude and the willingness to do whatever it takes to provide for his family. You are welcome to visit a web site devoted to families like Mr. Twomey:

On behalf of our customers, the TMD Austin, Round Rock and San Antonio offices will provide Christmas gifts and food to our sponsored family.

We will also be giving toys to the children of another client, to help bring a little joy to their lives during these trying times.

Our Christmas wish for you is that you have a wonderful and safe holiday! We were deeply touched by your story and hope we can add more joy to your life during Christmas. Our friends and business partners all hope for the very best for you and your family.

Thank you for being such an inspiration to us. We would like to be available should you need support at anytime in the future. Merry, Merry Christmas to you and all your family, from the TMD Temporaries Families throughout the United States.
